

The background of the entire image is a dense, multi-colored field of small, cylindrical sprinkles in various colors including pink, orange, yellow, green, blue, and white. In the center, there is a white rounded rectangular box with a blue border containing text.

LITTLE FREE PANTRY

Little Free Pantries (LFPs) offer a zero-barrier access point to food to help fill the gaps in the food system. They support neighbors who are facing food insecurity while building micro-communities. They empower people to make an immediate change in their neighborhood.

LFPs are not intended to replace or interfere with the work food security agencies and groups do. They instead work in support of FSA's to draw awareness to food insecurity issues and create community through collective action in neighborhoods.

Little Free Pantries give neighborhoods and communities the ability to help fill gaps in our food system and are a no-barrier access point to food.
